

# PHARMACY

**Quality is our focus<sup>SM</sup>**

PDC Pharmacy was established in 2000 as a subsidiary of Passavant Memorial Homes, a non-profit, human services provider. With over 100 years of experience in the ID field, we understand the needs and regulations of ID providers. We serve all of Pennsylvania from closed-door pharmacies in Pittsburgh and Philadelphia.

## **We Know Your Business...**

- **Focused.** Services focused on the needs of ID providers, Assisted Living, and Personal Care Communities.
- **Specialized.** Specialized labeling, packaging, dispensing, delivery and billing.
- **Knowledgeable.** Staff familiar with ID regulations governing medication administration.
- **Accessible.** Pharmacists are accessible 24 hours per day.
- **Options.** Multiple options are available for medication administration documentation.
- **Innovative.** Innovative approach to technology via ePrescribing, MedSupport and FrameworkLink.
- **Quality.** High quality service with timely deliveries and virtually no pharmacy medication errors.

## Why Choose PDC Pharmacy?

- **Free FedEx Delivery!** We offer FedEx delivery right to your door step... saving you the time and hassle of going to the pharmacy.
- **We Know Your Regs!** Our staff understands all of the unique needs, regulations and requirements, in order to keep you in compliance.
- **No More Phone Calls!** Our pharmacists will make the phone calls to your physicians and health plans regarding non-formulary and non-covered prescription medications for you.
- **PDC Pharmacy's Promise!** If it's not covered and we fail to notify you, it's on us!
- **Convenient!** We guarantee convenient, low-cost and tailored pharmacy services.
